

BECOME A REAL RALLY PILOT...

Try racing for yourself on our 2,3km tarmac/gravel double track! You may rent one of our Lada or BMW rally cars or drive with your own car.

TRY OUT OUR GO-KARTING TRACK...

Would you like to compete on a track that is designed by a professional, well-known German F1 track designer? You can if you come to our 600m outdoor go-kart track.

TASTE SOMETHING TRICKY IN BETWEEN...

If you would like to experience something not as competitive as racing or go-karting, be our guest to test your skills in tricky driving or handling the UAZ car on an off-road track.

HOW THEY DROVE BACK THEN...?

In LaitseRallyPark you will find one of the most exclusive collections of old and unique cars in Estonia. In addition to our exhibition you may rent one of those for your special event.

YOU ARE WELCOME WITH YOUR FAMILY!

For families we have an outdoor traffic city with different vehicles and a gamehouse with several play areas - perfect for playing and learning with kids!

WHEN IT IS TIME TO DO BUSINESS...

For corporate clients we have many meeting rooms depending on your needs. LaitseRallyPark has it all for a perfect vacation, business meeting or special event.
